

JOIN US ON AN ECO-TOUR IN 2026

Journey through the wilds of Indonesia, Malaysian Borneo and Sri Lanka. Witness incredible wildlife in their natural habitats and help protect their future through meaningful, conservation-focused travel.

Sri Lanka Elephant Tour | 11-20 January

Join Dr Alex Mossbrucker, Project Manager of the International Elephant Project, on a 10-day journey through Sri Lanka. Discover stunning landscapes, immerse yourself in vibrant culture, and gain unique insight into efforts to protect the island's wild elephants.

Sabah Tour | 10-17 February

Join The Orangutan Project Founder, Leif Cocks, for a nine-day adventure through Malaysian Borneo's Sabah region where you'll trek through the jungle, cruise along rivers, and spot Bornean orangutans, elephants, and more.

Sumatra Tour | 10-18 May

Explore Sumatra's Leuser Ecosystem with Hardi Baktiantoro, Project Manager of The Orangutan Project. Trek through the jungle to observe orangutans in their natural habitat and meet the Forum Konservasi Leuser (FKL) team, who work to protect this vital ecosystem.

Sabah Tour | 10-17 August

Experience the wonders of Malaysian Borneo on a nine-day journey led by Kylie Bullo, Conservation Manager at The Orangutan Project. Venture deep into Sabah's lush rainforests, glide down winding rivers, and encounter incredible wildlife, including orangutans.

Orangutans and Dragons Tour | 13-21 October

Visit Indonesia's Tanjung Puting National Park to see Bornean orangutans, then head to the Komodo Islands for a tour of the legendary Komodo dragons. Experience remote villages, snorkel in vibrant reefs, and explore unique ecosystems with Leif Cocks.
